GUEST SPEAKER

We are fortunate to be able to provide you with a fabulous 25 minute presentation this month from 4 very distinguished members of our community.

These presenters represent the medical and auto industry in our city, but more importantly, will be here to talk about the strategic initiatives of Hotel Dieu Grace Hospital in raising money for a new angioplasty facilities.

We are proud to welcome, **Kim Spirou, Dr. Amr Morsi, Rick Laporte and Adrian Vido.**

Kim Spirou is Executive Director for the Foundation and the Vice-President of Communications for Hôtel-Dieu Grace Hospital. Kim has worked in the public relations field for more than two decades. As an internationally recognized communicator she has provided public relations support, expertise and training for numerous organizations in both the public and private sectors. Kim was awarded 2009 "Communicator of the Year" by the Ontario Hospital Association in November.

Dr. Amr Morsi is an Interventional Cardiologist at Hôtel-Dieu Grace. Dr. Morsi joined HDGH in April of 2008 and we were very fortunate to have enticed him to come to practice in our community. He is the specialist in charge of the hospital's angioplasty program.

Rick Laporte is President of CAW Local 444 and also a volunteer on the HDGH hospital board of directors and a fierce advocate for our angioplasty program.

Adrian Vido is the Director of Global Manufacturing Quality for Ford Motor Company.

He is also a well respected community leader and volunteer with a remarkable record of service in our community. The Foundation is thrilled to report that he has recently taken on the important role of chair for their Beyond Medicine Campaign.
