GUEST SPEAKER

Kevin Davies will be our April CIBPA Guest Speaker. He is the "Tour Coordinator" for the Canadian Historical Aircraft Association.

The Canadian Historical Aircraft Association was officially incorporated as a non-profit organization in March, 1995 with a mission statement of "To Honour Canadian Veterans by Preserving, Maintaining, Restoring, Displaying, and Demonstrating antique or vintage military and civilian aircraft considered important to Canadian aviation history".

They strive to meet their objectives by accomplishing the following:

- A. They own and operate out of a WW2 hangar built at the Windsor airport in 1941 to house part of the British Commonwealth Air Training Plan.
- B. They own a 1941 Boeing Stearman and actively fly and maintain.
- C. They have agreements to fly and demonstrate a 1936 Fleet Fawn and a J-3 Cub which are privately owned;
- D. They are building a WW2 DeHavilland Mosquito Bomber literally from scratch.
- E. They maintain the City of Windsor's Lancaster, to be restored and placed in a Museum.
- F. They have demonstrated and flown aircrafts in a number of air displays, parades and open house days over the past few years.

At the present time they have 200+ active members working at the various projects and have plans to eventually construct a New Museum to house their present aircrafts and others that they may acquire. Their new building would also accommodate a military library, archive, display area and gift shop. Their building is open to the public on a continual basis and is hopefully to become another major tourist attraction for the Windsor and Essex County area.

Mr. Davies will present to CIBPA the current progress and direction of the Canadian Historical Aircraft Association and how it benefits our entire community.

We like to thank last months Guest Speakers **Mr. Garfield Dales**, Manager, Project Delivery Office, Windsor Border Initiatives Implementation Group, Ontario Ministry of Transportation. And **Mr. Michael J. Hatchell, P.E.**, Project Director, Parkway Infrastructure Constructors.

Angelo Martinello, *Guest Speaker Chair*

CIBPA Centre

In an effort to market the CIBPA Centre, we have many initiatives we would like to undertake to promote this little hidden "gem"! In doing so, I ask that each one of us take ownership of promoting the Centre to friends/family and use it for our own private parties/functions. It can be rented with or without food, so please contact Mario for availability and details. Also, we are looking for sponsorships or in-kind donations to cover some expenses which will be associated with marketing, so if any of you could provide assistance with or sponsor the following, it would be appreciated:

1. Banners
2. Permanent New Signage Board promoting upcoming events
3. Printing of flyers; business cards; etc.
4. Advertisements
5. Sandwich Board (to use for Friday Lunches)

We will be doing a formal launch soon with some media attention to introduce our Centre to the community. If you haven't done so yet, please visit the CIBPA Centre for the Friday Buffet Lunch and bring a friend – what better way to showcase our "home"!
