PRESIDENT'S MESSAGE

Good Day all CIBPA members. As this year is getting closer to wrapping up, I just wanted to tell you that all aspects of our association are being preserved and worked on. Golf, on track for a stellar year, Scholarships all set for the students come this fall, special events has been ongoing with several events behind us and more to follow. Also like to note the newly formed committees this year to turn around the CIBPA center are continuing to work hard. That being the finance committee, the building committee, and the marketing committee. We will be having some special discussions on our future as a club and I want to ensure you that your 2012-2013 board of directors have our core goals and constitution in the forefront. We are a networking club that proudly gives to the community in many ways and will continue to do this no matter what the future has in store for us. Please make every effort to attend these next two meetings as we need your support. I, as always, look forward to breaking bread with "You" the CIBPA Windsor Members.

È meglio un presente che due futuri.

Claudio Silvaggi, President
