GUEST SPEAKER

Sandra is well known as the region's most vocal and tireless champion for continuing prosperity and opportunity. Sandra's drive, passion, enthusiasm and knowledge of this region ensures that Windsor-Essex can be known as a solid and profitable business investment worldwide. She is recognized for her leadership in business, politics and community service.

Sandra was first elected to the Ontario Legislature in 1995, was appointed to Cabinet in 2003 and certainly known for promoting the Province of Ontario globally. During her renowned political career she served as Minister of Education, Minister of Community and Social Services and Minister Responsible for Women's Issues.

Sandra spent most of her eight years in Cabinet as the Minister of Industry and Trade. Sandra has a proven track record of building profitable

partnerships across multiple industries, having managed multi-billion dollar budgets and initiatives, driving growth and leading organizational transformation. She has put her strategic thinking to work with businesses throughout the supply network of most sectors, especially manufacturing, financial services, information communication technology, life sciences, aerospace, automotive and energy.

In June of 2011 Sandra left politics to pursue a private sector career with Price Waterhouse Coopers. She is the Director of Business Development and Global Markets for Price Waterhouse Coopers and its clients with focus on India, China, Brazil and the Middle East.

Since June 1st, 2013, Sandra Papatello has also taken on the responsibility of leading the Windsor Essex Economic Development Corporation. Sandra's distinguished career in the public sector-including leading trade delegations in most major markets globally - will help the Windsor-Essex region to develop relationships in markets that align to their growth strategies.

In March 2014, the Province of Ontario appointed Sandra the Chair of the Board of Directors for Hydro One.

Walter Riggi, Speaker Chairperson
