PRESIDENTS MESSAGE

I can't believe summer is over already but with the ending of summer comes the beginning of a new CIBPA year!!

I am extremely proud and honoured to have been elected your President for the upcoming year. I would like to thank our past President, Mr. Frank Mocerì, and his Board of Directors for the hard work done and for laying the groundwork for this upcoming year.

Allow me to start with telling everyone a little bit about myself. I am 33 years old and I am a father of two wonderful little girls, Olivia who is 6 and Alexia who is 4. I am very lucky to have an amazing wife Margaret and we recently celebrated our 8 year anniversary. Both my parents, Luigi and Marina, were born and raised in the best part of Italia..Calabria!!! Professionally, I am a Chartered Professional Accountant and a Partner at BDO Canada LLP Windsor. I have been in Public Accounting since I was 18 years old.

Socially, I have been President of many wonderful organizations such as Autism Service Inc, Canadian Italian Student Association (Windsor), the Honourary Accounting Society. I was Treasurer of CIBPA last year and I have been treasurer to a few other Charities. I coach both my girls in soccer and I have volunteered for numerous organizations.

I truly believe in our Community and do what I can to help it. I truly believe in CIBPA. It is one of the best organizations I have ever been a part of. CIBPA is, and will continue to be, a very important organization in our Community.

I have a goal this year and that goal is centered on the idea of ONE. We will be ONE CIBPA, engaged to make a difference through valued relationship with our Members, our Guests and OUR Community! This will only be possible if our meetings are respectful, fun and enjoyable. Our board will do everything possible to create and foster that environment.

One of our main events, Roman Fest, is coming up on September 19th. I attended last year for the first time and it is one of the most enjoyable Galas I have ever been to and it was only \$75/person. I want to see a great turn out from our membership as it is a truly special celebration.

Thanks you again and I look forward to achieving the goal with you. If you have any questions, concerns or comments, feel free to call me at 519-944-6993 or email me at fidasacco@bdo.ca

Let's make this year ONE special year.

Ferruccio Da Sacco, CPA, CA, LPA
President, CIBPA Windsor

PAST-PRESIDENT MESSAGE

To All our fellow members:

Hope everyone had an enjoyable summer, and ready for the fall. I would like to thank all the members for their confidence and trust in me, as President over the past year.

We experienced some financial difficulties in the running of the CIBPA Centre. However with the help of our past President Claudio Salvage and Gid Sovran of the Charity Committee we managed to sell the centre. We will proceed ahead with our mandate in net working with our members and helping our community.

We were very successful with our yearly charity golf tournament and the introduction of our first Prohibition Cigar night at The Canadian Club Centre. Looking forward to our second annual Prohibition cigar event. It was the best event.....People expressing interest for next year.

I will continue on the board of directors as your past President and as your National Representative for CIBPA in Toronto.

I would like to congratulate our New President Ferruccio De Sacco and the two new board of directors Niva Segatto and Corey Castellan.

I would like to thank all the committee members for going up and beyond their duties for all our successful events. Let's go forward in supporting this New Board in bringing in New Members to our association and continue to grow.

Frank Mocerì, Past - President,
CIBPA Windsor

Dear Madam, Dear Sir,

Next September my son/daughter will begin high school. This transition marks a moment of great importance for the future of his/her education and personal growth.

As a parent, I would like to ask you to take an active role in the implementation of an Italian language course at _____ school and/or in neighbouring schools at your Board.

The Italian language is the expression of an ancient culture, the cradle of a great civilization that has contributed to the flourishing of the arts, music and literature here in Canada, in Europe, and worldwide. From an educational point of view, the acquisition of the Italian language facilitates international education and cultural exchanges with high schools and universities. Furthermore, the Italian community is among the largest in the province of Ontario, and has a major social, cultural and commercial impact in our society.

Dear Community Supporter,

On Friday, September 12, the Fogolar Furlan will be hosting the Polenta Cares Dinner as part of their Annual Polenta Fest celebrations. The Fogolar Club believes in the importance of giving back to their community, and as part of their community outreach initiatives they have chosen to sponsor Mental Health and Addiction programs at VON Windsor-Essex and the House of Sophrosyne.

VON Windsor-Essex is launching two new Mental Health and Addiction programs that will start in early Fall. Both programs assist those in our community who are most in need as they transition back to their homes.

The House of Sophrosyne believes women require unique, supportive programs provided in an all-female environment in order to initiate and sustain the process of recovery from chemical dependency. Their Residential Treatment program consists of a 35 day integrated addiction and trauma treatment program.

We are currently seeking assistance from local businesses, organizations, and fellow citizens to help make this event a success. In collaboration, VON Windsor-Essex, House of Sophrosyne and Fogolar Furlan are requesting your support through the donation of an auction item that will benefit our fundraising efforts. A letter of recognition will be provided for all donations received, and your business name will be thanked in the event program book.

We thank you for your kind consideration. If you have any questions about this package please contact me at (519) 969-3937 Maria Vitale, Fogolar Representative.

Sincerely,

Maria Vitale

Ordinary Lives, Extraordinary Times: Italian Canadian Experiences During World War Two. September 19-December 13.

A special travelling exhibition organized by the Columbus Centre of Toronto / Villa Charities: This exhibit explores the experiences of Italian Canadians following Italy's entry into World War II on the side of Germany. Through video, audio, and text, the travelling exhibit puts a human face to this little-known period in Canadian history. It draws upon a rich collection of interviews conducted by the Columbus Centre. The personal stories of internees will form an important part of this exhibit, but so will stories about their families, their neighbours, and their fellow community members. Italy's declaration of war in June 1940 and this event's political consequences within Canada deeply affected all spheres of "ordinary" life for Italian Canadians – the private sphere of the home as well as the public sphere of the community, rural and urban.

Exhibit opening **September 19th, 4:00 — 6:00 pm.** The evening will feature refreshments and a special screening of documentary *Piazza Petawawa* (Director Rino Noto) telling the story of Italian-Canadians during World War II. Free admission.

September 27th 2:00 pm. Don't miss an interesting lecture "Italian Canadian Experience During World War II" by Dr. Walter Temelini, Professor Emeritus of the Italian Studies Department of the University of Windsor. Free admission.

And finally, in honour of a museum-fall-program themed on Italians, don't miss *Serata Italiana III*, which will take place on **October 16th at 7:00 pm** at the Caboto Club. The evening will feature poets Marisa De Franceschi and Len Gasparini, as well as singing, music and of course food! Tickets will be on sale at the museum in the fall. Please call the museum for more information.

SOS: SAVING OUR STRAIT

Restoring Our Detroit River Together

Ongoing to December 31st

As the Detroit River Canadian Cleanup organization looks toward delisting the Detroit River as an Area of Concern, it is an important time to look back on how far we've come. This exhibit, in partnership with Windsor's Community Museum, depicts the last 60 years of history surrounding the Detroit River. From its role in facilitating the industrialization of Windsor and Detroit, to the Great Lake Water Quality Agreement, to the many people who have come together in partnership to clean it up, the Detroit River has a rich and vibrant story to tell.

MAYWORKS 2014 Quilt

In 2014, through the narrative of the quilt block the history of work and workers in the city of Windsor was told. The Workers and Work Time Stands Still quilt is a creative community project that celebrates arts, culture and heritage of our community, while highlighting and utilizing the archival collections of Windsor's Community Museum.

Following **MAYWORKS 2014** the quilt was donated to the museum.
