PRESIDENT'S MESSAGE

Dear members,

It is hard to believe that we are already discussing our last meeting of the year before our summer break and my last meeting as the President. It has been an honour to serve in that role. I have learned so much and this experience will help me greatly as I progress my career and in life.

As discussed, we are not coasting to the end. Last Saturday we toasted the Awards of Excellence. What a beautiful night and thanks to the committee, the award winners and all the guests that came out that evening. Huge success and a huge step in growing CIBPA's presence in the community.

Next Monday is our signature event, the Golf Tournament. We need to see the members out in full force and in full swing. The monies raised are going to two very deserving charities.

On June 7th we will be having our last General Assembly meeting of the fiscal year at the NEW Windsor Club on Riverside. Federica Nazzani and her group are very excited to be hosting us. I have a feeling it will be one of those special meetings. I will be bringing some guests to showcase the Association and I urge you to do the same. It is also last call for nominations which is very important. We will be raffling off the new 2016 Italia Euro Cup jersey to support youth soccer. Again, it will be special night, do not miss it and bring guests.

I look forward to seeing you all at golf and at the June meeting. It is our last meeting of the year so let's make it a good one!

If you have any questions, concerns or comments, feel free to call me at 519-944-6993 or email me at fdasacco@bdo.ca

Ferruccio Da Sacco, CPA, CA, LPA
President, CIBPA Windsor

GUEST SPEAKER

We like to Thank last months Guest Speaker will be Ms. Patti France - President, St. Clair College of Applied Arts and Technology.

Our June Speaker is Mr. Dwight Duncan

Dwight Duncan serves as a Senior Strategic Advisor at McMillan LLP, one of Canada's largest and most respected full service law firms. At McMillan, Mr. Duncan is, or has been engaged, by some of Canada's largest and most influential pension funds, private equity firms, insurers and gaming companies.

In 2013-14 Mr. Duncan co-chaired a special task force for the Ontario Chamber of Commerce on Alternative Service Delivery in the public and broader public sectors. This blue-chip panel released its final report in March 2014 with recommendations on how the public and broader public sectors can deliver better public services at lower cost. The report was well received by the Chamber and the Province of Ontario.

Prior to joining McMillan, Mr. Duncan had a distinguished career in public service that spanned close to 25 years.

During his time as a Member of the Ontario Legislature he served as Deputy Premier, Minister of Finance, Chair of the Management Board of Cabinet, Chair of Cabinet, Government House Leader, Minister of Energy, Minister of Revenue, Minister of Government Services and Opposition House Leader.

Duncan delivered six budgets and authored historic reforms to Ontario's tax, pension, insurance, and energy regimes.

Mr. Duncan played a leadership role in formulating the Province's response to the economic recession of 2008.

As Finance Minister he lowered corporate and personal taxes, eliminated the capital tax and created the harmonized sales tax (HST).

During his tenure the Government of Ontario invested record sums in infrastructure, healthcare and education

to lay the foundation for improved productivity and a more prosperous economy.

Duncan oversaw a number of large commercial transactions on behalf of the Province. These included lease extensions with Teranet, the re-organization of the Ontario Lottery and Gaming Corporation, Ontario's first P3 highway projects, including the RT. Hon. Herb Gray Parkway, and the financial restructuring of General Motors and Chrysler.

Mr. Duncan also had Ministerial responsibility for the Ontario Securities Commission, the Ontario Energy Board, Ontario Lottery and Gaming Corporation, the Liquor Control Board of Ontario, Hydro One, and Ontario Power Generation.

Prior to his election to the Legislature he served for 6 years as a municipal councilor in the City of Windsor and worked for eight years as the chief administrative officer at Brentwood, a highly regarded addiction treatment centre.

Mr. Duncan has received a number of awards and distinctions including a honorary doctorate from the University of Windsor (2013) and recognition as one of Toronto's 50 Most Influential People by Toronto Life Magazine (2012).

An avid cyclist and golfer, Duncan is a lifelong resident of Windsor, Ontario and is the father of Sean, age 25.
