GUEST SPEAKER

Our Guest Speaker this month will be **Michele Cautillo**, CEO Windsor-Detroit Bridge Authority (WDBA) | Autorité du Pont Windsor-Détoit.

WDBA was created in 2012, the Windsor-Detroit Bridge Authority (WDBA) is a not-for-profit Crown Corporation which reports to Parliament through the Minister of Transport.

The WDBA manages the procurement process for the design, construction, operation and maintenance of the new bridge between Windsor, Ontario and Detroit, Michigan through a public / private partnership (P3). As such, the WDBA will select the P3 concessionaire and manage the concession agreement. The WDBA is also responsible for project oversight including the actual construction and operation of the new crossing. As the operator of the new bridge, the WDBA will set and collect all tolls.

The WDBA is led by President and Chief Executive Officer, Michele

Cautillo. Mr. Cautillo has been involved in the planning of the new crossing between Windsor, Ontario and Detroit, Michigan for the past eight years in his capacity as a partner with Deloitte, the prime project and financial advisory contractor for the project. During his tenure with Deloitte, Mr. Cautillo was a key player in Deloitte’s Infrastructure Advisory and Project Finance practice.

Prior to this, Mr. Cautillo spent 23 years with the Ontario Ministry of Transportation where he acquired extensive experience in many infrastructure projects, such as major public-private partnerships, highway operations, railways, municipal transit, airport design and construction and toll highways.

We like to thank **Vincent Georgie**, director of the University of Windsor MBA program for his talk on Windsor Film Festival.
