We like to thank **Mr. Matt Marchand**, President and CEO of Windsor-Essex Regional Chamber of Commerce for his talk on the Windsor Economy at our January Meeting.

**March 2017 Speaker**

We are proud to share that **Vincent Georgie** has accepted our invitation to speak at our March 7th CIPBA dinner. Vincent is the director of the University of Windsor MBA program, a marketing prof, as well as the executive director of the Windsor Film Festival, the second largest film festival in Canada behind Toronto.

Vincent’s experience and knowledge is vast with various accreditations including a degree in Management from the Rothman School of Management from Toronto, a MBA in marketing from the University of Windsor and a PHD in marketing from Montreal. Vincent’s love of learning and Business has led him to our great city to the University of Windsor as a Director of the MBA program where he loves teaching and continues to build our highly recognized Windsor MBA program.

Vincent also loves movies and with hard work, and dedication, typical of Windsorites, he has built the Windsor Film festival to one of the largest across Canada.
