Earthquake Relief- Update

On Friday May 12, 2017, over 600 people attended the Italy Earthquake Relief Fund (TIERF) lunch with Sergio Marchionne, CEO Fiat Chrysler. The Prime Minister Justin Trudeau and Premier Kathleen Wynne were at the head table. The Prime Minister pledged to match grants from private donations for up to \$2 million. The Premier committed a \$250,000 donation. The lunch generated approximately \$613,000. With federal matching the estimated funds raised to date are \$2,650,000.

The TIERF will be making a substantial donation to a joint venture with the Vatican and the Italian Red Cross for the "Tele Mobile Hospital" project. When these technology enabled "mobile hospitals" are not assisting in natural disasters, they will be used as hospitals in small towns that lack medical facilities. TIERF has made a commitment to fund 2 Tele Mobile Hospitals.

October 25, 2017 - Pope Francis is scheduled to bless the 2 TMC in St. Peter's Square. These units will have the Canadian Flag painted on both of them.

As the federal matching program will continue to the end of 2017, your contribution can go twice as far. If you would like to make a donation please visit the website. Target \$4,250,000.

Cari Amici,

On behalf of the National Federation CIBPA, it is with great pleasure that we extend our warmest greetings to everyone attending this wonderful celebration of the 65th year anniversary of the CIBPA.

We are very proud to report that our CIBPA Chapters have distributed over \$10 million to various Canadian community based charities and education programs. The majority of our donations were made to hospitals, seniors' residents and students that receive government assistance, with over half of the funds distributed to more than 2,500 students. We have also set up CIBPA endowments at three major Universities.

In addition to our Canadian efforts, the CIBPA Chapters, along with other Italian associations, have provided help when Italy was struck by natural disasters. On Friday May 12, 2017, over 600 people attended the Italy Earthquake Relief Fund (TIERF) lunch with Sergio Marchionne, CEO Fiat Chrysler. The Prime Minister Justin Trudeau and Premier Kathleen Wynne were at the head table. The Prime Minister pledged to match grants from private donations for up to \$2 million. The Premier committed a \$250,000 donation. The lunch generated approximately \$613,000. With federal matching the estimated funds raised to date are \$2,650,000. The TIERF will be making a substantial donation to a joint venture with the Vatican and the Italian Red Cross for the "Tele Mobile Hospital" project. When these technology enabled "mobile hospitals" are not assisting in natural disasters, they will be used as hospitals in small towns that lack medical facilities. TIERF has made a commitment to fund two Tele Mobile Hospitals.

As the federal matching program will continue to the end of 2017, your contribution can go twice as far. If you would like to make a donation please visit the CIBPA.com website.

When we look back at the history of Italian Canadians, and the CIBPA in particular, we see a common theme of family values, good citizenship and education being the corner stone of our success as Canadians. We help in the communities we do business in because we care about Canada and Italy. This is our contribution to, and investment in, Canadian society.

Buon Pranzo,

Robert Sacco,

President, National Federation CIBPA

Subject: FW: Proposed Tax Reforms-LET YOUR VOICE BE HEARD
Importance: High

CIBPA Members and Friends,

As you are aware, the Federal government released three specific tax proposals concerning the taxation of Canadian private corporations on July 18, 2017 for public consultations closing on October 2nd. It is clear that the three proposed measures, whether in isolation or together, will have a significant negative impact on incorporated small businesses in Canada.

These measures impact the following scenarios:

1. Distribution of dividends to family members from the corporation
2. The multiplication of the small business capital gains exemption amongst family members.
3. The ability to accumulate income in your holding company
4. The ability to transfer your business to the next generation
5. Implications on post-mortem planning for your business
6. Ability to compensate family members

We understand that almost one-third of small business owners do not appreciate the impact that these proposals will have on their business and their family.

Given the uncertainty and expected negative economic impact of the proposed measures, it is crucial that the business community speaks out on these proposals before the government's brief public consultation period **ends on October 2, 2017**.

We recommend and urge you to contact your local MP and send your comments, questions and concerns directly to the Ministry of Finance at fin.consultation.fin@canada.ca

The CIBPA Toronto website will include additional information on the impact the proposed changes may have on your business.

Bob Sacco
