PRESIDENT'S MESSAGE

Spring has sprung. Witnessing the reawakening of nature is a welcoming ritual particularly after a long dreary winter. Our clocks have changed. Garden centres are sprouting their wares. Patio furniture and barbecues are now predominately being displayed for sale. The weather is hinting of good summer days to come. Aah! What a wonderful feeling!

For CIBPA, spring is when we stage our prestigious Awards of Excellence Gala. The Committee, through the chairmanship of Theresa Didomenico is working very hard for a glamorous and successful event. I cannot stress the importance of having each and every one of our members attend. If there is any function in which your demonstration of support is required, it is our Gala. Dignitaries and various community and business organizations are invited to share this evening in which we honour our brightest students, successful businesses, and professionals. It is an evening of pride. We need full participation by our members. This is our time to shine in front of our community. So get your tickets now! Mike Angileri, Dan Castellan, or any other Board member can assist you in this regard. Set the date aside and share and enjoy a great evening together – 6:00 p.m., Caboto Club – April 30, 2010.

Hats off to the Golf Committee which is organizing more than a golf tournament but a festival of enjoyment.

Whether or not you are a golfer, the activities organized by this imaginative committee will excite and entertain you. Sign up and participate whether individual or foursome or at the very least for dinner. We welcome all of you and your friends. So talk it up and get it done. Sign up today! The Golf Tournament will be at Kingsville Golf and Country Club, Wednesday June 09, 2010.

Don't forget to support the Messina Earthquake fundraising dinner at Giovanni Caboto Club which will be held on April 10, 2010.

Tickets may be obtained from our fellow member, Steve Aiuto or at the Giovanni Caboto Club.

We thank Steve Del Duca for undertaking the "Spirit Raffle" at our general meetings. Prizes are of high quality and sometimes high octane. Funds raised will support CIBPA and its charitable endeavours.

I am please to report that the President's Committee is charging ahead in the organization of the 50th Anniversary event to be held next year. We welcome all of those members who wish to participate to join us.

On behalf of the Board, I extend to you and your family a very happy Easter.

John P. Corrent, President
