PRESIDENTS MESSAGE

I am absolutely thrilled and very grateful to have been given the opportunity of being the president of the Canadian Italian Business and Professional Association for the past two years. Our accomplishments have been beyond all expectations. We are boasting two back to back amazing events with stellar performers. The event last year that featured Dr. Sergio Marchionne gave us the opportunity to raise over \$200,000.00 to support the University of Windsor Italian Studies Legacy Fund, the CIBPA Windsor Scholarship Fund and the CIBPA Dr. Marchionne Scholarship Fund. This year I am very excited and proud that we are hosting a Hollywood Legend, the greatest actor in film history Al Pacino, with the great expectations of raising once again much needed funds for Windsor Regional Hospital's Family Brain Health Programs. An intense and gritty performer, Al Pacino is a 38-times Oscar and award winner, and we are ecstatic that today he is here with us.

Since its inception CIBPA Chapters across Canada have given back approximately Eight Million Dollars to communities through Scholarships, Hospitals, Schools, Churches, various organizations and to the less fortunate in our communities and the world. CIBPA Windsor is truly promoting and supporting our Cultural, Educational and Charitable Endeavours of the Canadian Italian Business and Professional Community of Windsor and Essex County. Our association is making an impressive mark and playing an important role in building and providing for the community in which we live. We have deservingly gained the recognition, respect and acknowledgement of the community, and we shall continue to give back through our newly acquired CIBPA Centre. Not only that it has become our new home, but it is also the Head Office of the National Federation representing all CIBPA Chapters across Canada.

Furthermore we have established, organized and are conducting programs for all seniors of Windsor Essex and they are being presented by our own CIBPA businesses and professionals within our association.

Our board of directors are very dedicated and passionate businesses and professionals who have unconditionally applied themselves in taking our association to a higher level and have become extremely proud of all our accomplishments. The Canadian Italian Business and Professional Association must continue to support and promote our Cultural, Educational and Charitable Endeavours so that our children can learn to respect, appreciate, enjoy and keep alive the richness of our culture and heritage.

Carl Grossi, President
