Canadians of Italian Heritage Building Business & Professional Networks Across Canada

### **PRESIDENTS MESSAGE**

It is with a saddened heart that today we reflect on the passing of a business colleague, a passionate fellow member of our CIBPA Association, and most importantly a dear friend. Tony Deluca totally embraced the richness of our Italian culture and heritage and he was very proud of every aspect of our Italian customs and traditions.

Tony was known to all as the businessman, the entertainer, the accordionist, the kind and generous man always ready to freely lend a helping hand and always ready to do his part. He will be sadly missed, but we will remember Tony Deluca as the smiling, fun loving, carefree person who was always eager to entertain and serenade us at every possible occasion. The vision of Tony with the accordion strapped to his shoulders enchanting and lifting everyone's spirits by playing and singing many Italian songs is the way that we will always remember our friend Tony Deluca.

CIBPA will be the host of the **Al Pacino** Event this year. All advertisements, event program, flyers and Fiat raffle tickets will indicate the following headline on March 31, 2012. .
