PRESIDENT'S MESSAGE

Whew! What a wonderful time of the year! I love summer, the weather is cooperating, and the economy is warming up as well. All is good. All is good with CIBPA as well. We have had a wonderful year thanks to the hard work of our Board and other members of the Association. My hat's off to all the hard work and success which has made me and hopefully all of you proud to be a member.

Let me recap.

- Our General Meetings have been comfortable and informative settings featuring good food, good cheer, fraternity, and a stellar panel of guest speakers.
- CIBPA proudly presented 11 scholarships to deserving students.
- We awarded excellence in careers and businesses recognizing our own in the Italian community with the public at large to admire and respect in a professionally presented Gala.
- Our Golf Tournament has been organized by an enthusiastic committee that has surpassed all expectations in putting forward an adventurous and sold out event which is surely one that will be highlighted in our history.
- Our membership is strong and we continue to attract young members.
- Attendances at our General Meetings have surpassed previous years.
- The Roman Festival is an extraordinary night of Roman frolic raising dollars for the Italian Language Legacy Fund for the University of Windsor.
- The National Federation through the leadership of our own members, Frank Mocerì, Dan Castellan, and Niva Segatto has done us proud. We will now have a nationally coordinated website. A link with the National Italian Federation of America out of Washington is within our grasp.

- CIBPA is publicly recognized as a strong and well respected professional organization with both the public and our politicians.

New ideas are seeded and will hopefully reap a good harvest i.e. bringing discounted chartered flights to Italy at Windsor airport, sponsoring the car parade at the St. Angela Erie Street Festival, Civic night featuring the President of Chrysler and Fiat Corporations, Mr. Sergio Marchionne, coordination of a 50th Anniversary Celebration of CIBPA's founding with the Italian independence decoration in 2011, formation of an Italianity Committee creating a liaison with the Italian Vice Counsel (Toronto) for the spread of Italian culture through student co-ops and other programs, the return of Members Italian Epicure, and our connection and liaison with the University of Windsor entrenching the Italian studies program and links with other Universities in Italy for the benefit of our children and mutual economies. All is good.

As I leave the office of the Presidency this year, I extend to all of you my deep hearted gratitude for having supported me. It has been an honour, a pleasure, and a wonderful experience that will never be forgotten. To my Board and all of you and your families, I extend a happy, healthy, and wonderful summer.

John P. Corrent, President

GUEST SPEAKER

This month's Guest Speaker is **Mr. Adrain Vito**. Adrain will be speaking on what Ford's commitment is to Windsor going forward, including prospective business.

MEMBERSHIP

It has been my honour and privilege to be the Membership Chair for CIBPA for the past year. It has been wonderful to see the growth of our organization and the pride of our membership as they introduce CIBPA to new people and have them join us in our efforts to improve our business community and charitable endeavors.

I would like to extend my appreciation to everyone for your patience and understanding as we took the time to get to know each other better and by allowing me perform my role and duties at each general meeting.

Thank you, to everyone, for your continuous support.

Please welcome the newest members of CIBPA that were approved during our May 4, 2010 Board Meeting.

Vincenzo Lio—Owner, Iguana Sushi Bar. Vincenzo has been sponsored by JP Corrent.

Walter Riggi—President, Riggi Media International. Walter has been sponsored by Luigi Tosti.

I would like to extend a special thank you to all of the sponsors for promoting CIBPA over the past year. We sincerely appreciate your efforts.

SPIRIT RAFFLE

A warm thank you goes to everyone for making our Spirit Raffle a great success. The generous donations from the May meeting raised \$265. Thank you, once again, to Livio Pullo for the Detroit Tiger Tickets and Parking Pass for the July 10th game at Comerica Park.

Congratulations to Gaspare Barresi who won the raffle.

This month, Mike Angileri has generously donated a 12 Piece, Kaiser Series, Jumbo Stainless Steel Cooking Set, made by Onida Germany. The cost of the tickets will be \$2.00 each or three for only \$5.00.

This will be our last raffle of the year and I wanted to thank everyone who dug into their pockets, wallets and purses in helping to raising money for charity. Your efforts have amassed nearly \$1,000 already, in only a short time. Thank you to all of the donors and participants for your continued Spirit!

NAME TAGS

As a final reminder for the year, please make every effort to return your name tag at the end of the June meeting. We will inventory the lot, make any needed repairs and have them ready for you, as we meet again in September.

Thank you for taking care of these name tags and helping us to keep track of them.

Enjoy the summer!

2010 MEMBERSHIP DIRECTORY

The 2010 Member Directory was distributed at the March Meeting and will be available at the June meeting for those that have not received one. Grazie mille, to all of the sponsors who have contributed to this publication; we truly appreciate your generosity.

Steven Del Duca, Membership Chair

NOMINATIONS

Several current boards members will be ending their term this year. We encourage our Members to get involved with the organization of the Association. The Board can use persons that are committed to doing some work. If you want to have a say or get involved in the way the organization is operated, please put your name forward. Nominations will close at the end of the June Meeting. Nominator, nominee and endorsers will be required to fill out a **Board of Governors Nomination Form**. Please note that being elected on the board is a privilege. We expect persons accepting nominations for a board position will be committed to accept a position if elected. There is no guarantee positions by accepting a nomination and being elected. Positions (including the President) will be voted by the new board at the first board meeting in August. A full slate is eight nominees. More than that an election will be called in July.
