PRESIDENTS MESSAGE

First of all I would like to congratulate and personally thank last year's Board of Directors. We worked extremely well together, we have enjoyed the laurels of accomplishments, success, and we have set a new bar for CIBPA Board of Directors

It is hard to believe that the summer is gone. Our children or grandchildren starting another school year is like CIBPA starting another year in our organization.

There will be many eventful functions planned once again for 2011-2012. The enthusiasm and leadership of our new board of directors will continue the exciting activities that have been already commenced and will diligently continue to create additional activities that will bring our CIBPA association yet to a higher level.

Welcome all present CIBPA members, and since there are many new additional members that have joined this year, please help us to welcome them and make them feel at home.

Thank you for your vote of confidence, looking forward to another exceptional year.

Carl Grossi, President

GUEST SPEAKER

Our Guest Speaker this month is **Dr. John A. Strasser**, President St. Clair College. Dr. John A. Strasser was born and raised in Sydney, Nova Scotia. His received an Engineering diploma from St. Francis Xavier University, an Associate Degree in Business Management from LaSalle University, Master of Science degree from Pennsylvania State University and a Doctorate degree in Metallurgical Engineering from the Technical University of Nova Scotia.

He was appointed as President of

St. Clair College on August 1, 2000. St. Clair College has three campuses in our area. The main campus is located in South Windsor, a downtown Windsor Campus and a Chatham Campus.

During his first decade of service as President of St. Clair College he has resulted in an enrolment increase of more than fifty (50) percent.

Since 2000, St. Clair College has completed the construction of the Ford Centre for Excellence in Manufacturing, a new addition to the Student Centre, a Centre for Construction, Innovation and Production, a MediaPlex in the downtown Windsor core and has established the St. Clair College Centre for the Arts on Riverside Drive. In addition, this September, the College opened a Trades and Technology Centre and a student HealthPlex in Chatham. In Windsor, the Truck and Coach Repair Centre in Windsor and the Applied Health Sciences Centre in Windsor.

Under his leadership, the College has the first student residences in both Windsor and in Chatham.

Dr. Strasser and his wife Gayle, an elementary school teacher at Southwood School in Windsor, have two sons Andrew and Kirby, a daughter-in-law Amy (Burkholder) and three granddaughters Leah, Andrea and Addison.

John Bonato, Chair Guest Speaker

CHARITY GOLF CLASSIC

Just a short note on CIBPA'S Annual Charity Golf Tournament that took place on June 8, 2011. It was a great and fantastic sold out event. The weather co-operated with us in Kingsville. The food tents by Canadian Tire (Windsor West), Mama Maria's Ristorante of Chatham, Galati Cheese, Lakeside Deli, Vinnie's Deli and Spago's Ristorante were a huge hit. Many thanks to Sonia Lenhardt of Motor City Credit Union for the CIBPA 50th Anniversary Souvenir wine bottles given to our golfers and their guests. Many thanks also to Joe Montaleone and Tony Acampora for their sponsorship of the patio cigar bar another huge hit to mix and mingle. Thanks go to F&J Collision and Amica for the supply of water bottles. The venue of Kingsville Golf and Country Club was an excellent choice, their staff and management went above and beyond accommodating our needs. I am grateful to my golf committee: Joe Montaleone, Frank Mocer, Dan Castellan, Carl Grossi, Greg Baggio, Mike Angileri, Sonia Lenhardt, Tony Acampora, Charlie Hotham, Amalia Maurizio and Neva Segatto along with Kim Willis-More and all the volunteers from Windsor Regional Hospital. Everyone helped make this year's event a memorable one, again thank you for all your support. It was a pleasure and honour to chair this year's golf tournament on CIBPA'S 50th Anniversary.

Anthony Pupatello, Golf Chair
